

"These musicians work overtime – and so do their beauty picks. Here, the product remixes that keep them looking camera-ready. Ciara – The multiplatinum R&B star keeps her complexion HD-perfect with antioxidants and sunscreen. 'The combo of Revision Vitamin C and Cetaphil Moisturizer prevents dark spots and gives my skin a glow.'"

"In today's hyperconnected world, where the average person stares at a mobile device for nearly three hours a day, there's a new wrinkle: Looking down at your phone or iPad may be contributing to more lines and skin laxity, what some doctors have dubbed 'tech neck.' To tighten slack neck skin, 'look for products containing peptides.'"

"Planes and trains will no longer leave your skin wanting: D.E.J. Face Cream™ from Revision Skincare contains a proprietary ceramide blend, special herbs, and a unique peptide combination, perfect for restoring balance and moisture. It's TSA friendly and only available through your medical spa."

"The South's Most Stylish Moms  
Four hardworking mamas, each with a killer sense of style, share shortcuts for looking flawless while juggling families and careers."

Secret weapon: "Sunscreen is the most important thing. I use Revision Skincare's Intellishade® for my face – it has a light tint too."—Virginia Savage McAlester, Historic Preservationist"
